I am a motivated and skilled professional seeking a challenging position where I can utilize my expertise in HTML5/CSS3, JavaScript, TypeScript, and React.js to develop dynamic and responsive web applications. With a strong background in SQL, SCSS, Tailwind, and Next.js, coupled with experience in Node.js, Figma, and Prisma, I aim to contribute my knowledge and creativity to drive innovation and deliver exceptional user experiences. I am eager to join a dynamic team where I can further enhance my technical skills and contribute to the success of impactful projects.
